Victory for Hebron in Game With Moodus, 7-3.

The Hebron and Moodus baseball teams of the A. L. League, generally known as the Milk Can circuit, played on Saturday afternoon at Hebron. The game was a fair game, Hebron got their bats working more frequently than the Moodus men. The Moodus team was a winner, 7 to 3. Irving Manley pitched fine ball for the Hebron Walleppers, allowing but five singles while big Sherman, last year's twirler of the Hartford High school, was touched up frequently. Both teams scored in the first inning; after that the game was all Hebron's way. In the ninth Moodus made a rally, but their best effort was two runs. Manager Hanna of Hebron says the league will close Saturday, Aug. 28, in this city, when Hebron and Middle Haddam play a double header. Score of Saturday's game: R. H. E. Hebron 10 0 0 0 4 2 0 7 3 4 Moodus 1 0 0 0 0 0 1 3 5 5

FOURTH SHUTOUT.

Barnicle Has Andems' Scalp at His Belt—2-6, With Runs Made in the Seventh Inning.

Putnam won another great ball game from the Andems of North Grosvenordale on the Providence street grounds Saturday afternoon, when they again shut out the visitors. The team was able to score up to the seventh inning, when the locals secured their only runs of the game. More than 700 fans were on the field and when the break came they cheered themselves hoarse with delight.

Barnicle and Pelquin were the opposing pitchers, and they put up their usual great battle for victory. Barnicle, however, came out with the great record unbroken that he has been making in this league. It was the fourth successive shutout game he has pitched and in 37 innings not a runner has been able to get across the plate, although Frappier and Macintyre nearly turned the trick in the eighth inning.

The game was marked by several brilliant fielding stunts. Marion making a real sensational catch of a great Whippoorwill, which he had pitched good for three bases. That catch cost the Andems at least one run.

Putnam got their runs when Tatro went to second on a hit to short that was fumbled and was thrown wild to first, the runner
